Anastasia Does the Nasty

Dear Virgin Territory,

Anastasia sucking and fucking was the highlight of the Oct. '18 issue. She is one of your hottest girls ever, so blonde and pretty and down for anything. She looks sweet and innocent with the braces and her schoolgirl uniform. Even when she has a cock in her mouth and in her pussy, she still manages to look so damn sweet. But I can tell she has a dirty side. Her expressions and the way she takes that cock give it away. Her pussy looks like it's vice tight. In one of her photos she's riding the guy's cock and her pussy looks completely filled up. So much so that her butthole appears to be bulging from the cock taking up so much space inside her little body. I can only hope that with time she decides to take cock up her vice-tight asshole as well. Please get her back in your studio and shoot her in every kind of dirty hardcore scene you can. Girl/girl, three-ways, three-ways with two guys, gangbangs, anal. Get it all!

You never know how long these girls will be around for, but I hope she sticks around for a while. I haven't seen a horny blonde this promising since Jessi Rogers, who broke my heart when she retired. So please, shoot more of Anastasia while we still have her!-M.B., via email

Dear M.B.,

If you liked Anastasia's fuck pics, you should check out her scene in the movie Cum On My Braces!

Tinsel-Tooth Cum Sucker

Dear Virgin Territory,

I love the brace-faces in the Oct. '18 issue. Please keep bringing us girls with braces. Seeing Anastasia and Veronica with their metal mouths covered in cum was the

hottest thing ever. Veronica got an especially big load, and I'm not surprised. That sexy body of hers would make any guy bust a huge nut. I enjoyed seeing her sweet face while she sucked dick. She's so tender and juicy. She has nice hair and eyes, perky boobs, a nice tummy, a pretty pussy and a cute butt. She looks good in every position she gets fucked in. I don't think I've seen her in a solo pictorial before, unless I missed it. Has Veronica ever been in your magazine before? Please feature her again soon, whether it's in solo or hardcore. She is so, so sexy. And please keep the brace-faces coming and cumming!-R.R., Ocala, Florida

Dear R.R.,

Veronica's XXX pictorial in Oct. '18 was her first appearance in 18eighteen. She also has a solo set in the Holiday '18 issue of Naughty Neighbors.

together, as my wife is bisexual. 18eighteen and Naughty Neighbors are our favorites, and Paisley has caught our attention. She is quite the nubile, little minx. Please tell us if we can expect to see her in hardcore soon. It would be wonderful if you could pair her with an older couple to make our fantasy complete! It is one of my wife's greatest joys to share a load of my cum with a pretty, young girl and then have a nice, sloppy makeout afterwards. We are involved in the swinger scene, but there are not many younger girls. So this fantasy does not play out as often as we would like.

My wife would love to explore Paisley's body with her tongue, making sure she gets a taste of every nook and cranny. She loves the taste of teen pussy, especially if she gets to eat it while I fuck her from behind. I, too, would love to experience Paisley and her wet mouth and tight pussy. Until we see her again, my wife and I will be revisiting her photo set!—S. & M., Burlington, Vermont

Dear S. & M., It's refreshing to read that you two can explore your sexual fantasies together. Paisley has a hardcore set that will run soon. And if you'd like to see another sexy teen in a three-way with an older couple, you should check out Foxy's scene in Glazed Teens 3.

Kelsey's Horny Asshole

Dear Virgin Territory,

Please tell me that Kelsey does anal. That gaping butthole of hers sent me over the edge. The butthole is my favorite body part on a girl. I love to lick it and sniff it and stick things inside of it, including my cock! It is the tightest orifice. We almost never see gaping buttholes in your magazine, as I'm guessing most teen girls aren't ready for butt play yet. So it was such a breath of fresh air to see Kelsey's small gaper. She should be able to handle a cock in her cute, little butt judging by the way her horny asshole opened up!

And what a tease she is! Just as quickly as her butthole opens, it closes back up. Now, I love a tight, puckered starfish, but there is something so dirty and naughty about a wanton, young girl with a gaping butthole! I spent the rest of the night

thinking about Kelsey's sweet backdoor and wondering when it would open up again.

I feel compelled to add this disclaimer, just in case Kelsey ever reads this. I appreciate the rest of her as much as her butthole. She's a cute thing with an adorable, little body. And her pussy looks absolutely deli-

cious. Anal or not, I'd take her any way I could get her! Thank you for presenting us with such a sweet teen.–F.P., San Jose, California

Dear F.P.,

Kelsey isn't quite ready to take the anal leap yet, but she did shoot hardcore with us, which you'll see soon.

Alex Is Perfectly Naughty

Dear Virgin Territory,

It's about time we saw Alex in hardcore! She is one of the hottest teens out there right now. You sure held out on her XXX for long enough. It's been forever since we last saw her in 18eighteen, and she is one of my favorite girls! I have The School of Hard Cocks 2, which features her scene. I just needed to see the photos to get my full fix of Alex. I

iteen mailing label.

have to tell you though, I wasn't crazy about the guy you paired her with. Luckily I don't care too much about the male talent, just as long as I get to see plenty of Alex. She looked just as stunning in her photos as she did in the video. To any readers who have not seen her scene, I highly recommend it! She plays up the naughty schoolgirl perfectly. Has Alex been in any other movies?-T.T., Hamilton, Ontario, Canada

Dear T.T.,

Alex has solo scenes in Honey Cunnies 4 and Amateur Pussy Hunt 2.

Flattie Convert

Dear Virgin Territory,

Normally I like girls with big tits, but Valery might convert me into a flattie-lover. The photo of her with her legs spread while wearing her skirt got me nice and stiff. I also liked her pretty smile and the sparkle in her eye. To be honest, I can't even figure out what it is about her that got me, but there's something there. Maybe it's just that I get the feeling that she sucks and fuck like a champ. And it helps that she has a nice ass. Of course, I had to see what her pussy situation is. Big lips and a tight entrance-very nice. Hope we'll be getting to see her put something in

that juicy box of hers.-A.H., Rockport, Texas

Dear A.H.,

Valery only shot photos for us, but she liked her experience so much that she might be back for more. Keep your fingers crossed!

Ceghteen and Neghbors.

When your daughter's best friend sleeps over, it's hard not to check her out. When she's a cheerleader? That raises the stakes some. When she's a cheerleader who can bend in eye-popping ways? That's a girl who, when she sees something she wants, will...

Over Backwards

By Joe Monks Illustration by Otis Sweat

"Chey, no way! I can't do that!"

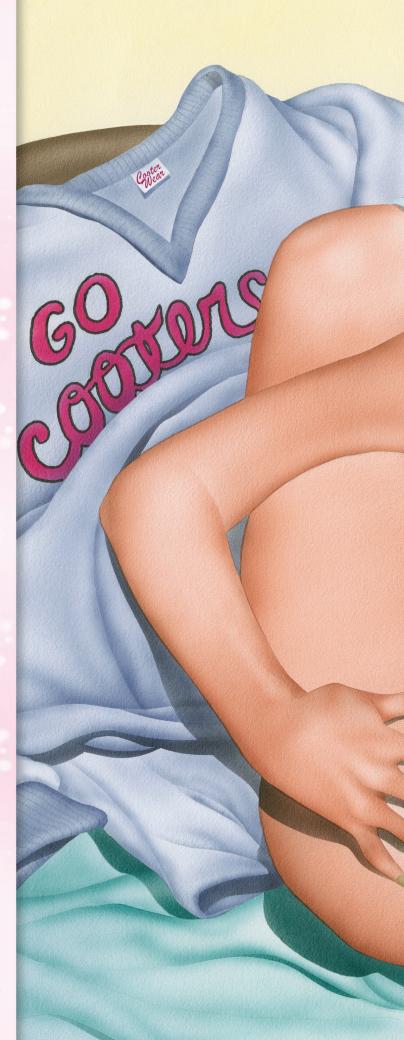

"Sure you can. Watch, I'll do it again."
Thankfully Lynn, my daughter, couldr

Thankfully, Lynn, my daughter, couldn't. Cheyenne, her best friend, however. Holy shit. That girl was limber enough for the Dallas Cowboys Cheerleaders. Hence, her working with my kid, who'd barely made the squad. At the moment, Chey–her friends pronounced it Shy–had her left leg planted, her right foot pointing up, calf against her cheek. Crazy gymnast kind of stuff.

"Okay, we'll get back to that. How about this one?" Cheyenne spread her arms, then slowly—and I mean s-l-o-w-l-y—descended to the lawn in a full split. Not one of those one leg forward, one leg back splits that most girls learn growing up, either. This was a legs spread wide, side-to-side split, her legs stretched out just like her arms. Another pose Lynn couldn't match. Cheyenne laughed, waggling her pom poms. My heart skipped a beat.

If there was one area Chey was lacking in, it was pom poms. Not that I minded. I liked 'em slender and athletic, like the girls I had gone to high school with. Not looking like they were twenty-two in 9th grade. Flat? Flat was a rare commodity these days. And Cheyenne had been blessed by the mosquito-bump fairy.

I was supposed to be getting some work done. Checking out my daughter's eighteen-year-old girlfriend shouldn't have been this much of a distraction, but I had a hard-on I could've poked holes in drywall with. From my office window upstairs, though, it was fine. I mean, sure. If I wanted to, I could whip it out and take care of what needed taking care of and no one would be able to tell. When Cheyenne leaned forward and pushed up off the ground, that tight ass all but begging me to stare at it? Almost convinced me. Not that I needed much convincing. I wanted to jizz as bad as the guy on the bleachers ogling his crush in the short skirt and white panties I'd been in senior year. Currently, I was trying to decide if I should hop into the shower and

rub one out, or stay where I was so I could watch Cheyenne do her thing while I did mine.

Shower... Soap, but no visuals. Window... Incredibly hot scenery, no tissues handy. *Hmnnn*. This was becoming a dilemma. As was the tightness in my shorts. My dick felt like it was being strangled by cotton.

"All right, let's call it a day," I heard, my attention shifting from Cheyenne's clenched butt muscles.

"I can't wait to get in the shower!"
She kicked a pom pom off the
ground and spun around, snatching
it out of the air. Lynn followed suit,
which made me smile. So, she was
getting somewhere.

Lynn started rolling up their yoga mats, but Chey held her spot a bit longer, facing the house. I knew she couldn't tell I was watching, the windows are all tinted, but still...

The moment passed. Cheyenne grabbed their gym bags and the two trotted out of sight. I heard the kitchen sliders a moment later. So much for the shower and the scenery, I lamented silently, making it back behind my desk despite the bulge in my shorts.

Things could be worse, I reminded myself, although not by much. Two teen girls showering back to back? It was five o'clock. I'd probably have hot water again by midnight.

I'll be honest. Yeah, I had a project I needed to finish. But the truth was, I was hiding. In my office, at least, I believed I was safe.

During dinner, I'd nearly choked when Cheyenne remarked about a particular cheerleading move, that it was, "No different than when a stripper wraps her legs around the pole and rides it like a dick."

Lynn had cracked up. I had soda streaming out of my nose as I tried not to swallow my own tongue. That Cheyenne had followed it up with, "Whoops, I probably could have picked a better word than dick, huh?" had driven me from the table, looking for a distraction. Dessert, perfect. My return to the table was met with hysterics. I'd grabbed a box of cannolis. Dear god, what had I been thinking?

You'd think that was the worst of it. But, no. Around 11 p.m., I'd been planning on calling it a day, my

soapy-erection fantasy having been, at least slightly, dulled. Then, walking past Lynn's bedroom on the way to mine, what do I see but Cheyenne's ass, hovering off the floor about four inches, her leggings stretched so tight you would have thought they'd been tattooed on. These things are beige. I mean fucking flesh-tone. So, I see this, do a double take that nearly dislocates my neck, and am granted the single best cameltoe shot I have ever seen. Cheyenne is demonstrating...shit, I have no idea what the fuck she was

Chey's red hair stretched across my thighs, her tongue cat-lapping along the underside of my cockhead. Her fingertips found my balls...

demonstrating. She's in that sidesplit position again, but holding herself up on her hands, nose maybe a millimeter off the floor.

How I noticed her nose at all, I can't tell you. Maybe because that red hair of hers was tucked back, showing off that pretty face of hers. Lynn must've been sitting on her bed, watching. Her room's not that big, so there wasn't enough floor space for both of them to be practicing this feat at the same time. But, oh man. I couldn't help it. My eyes zeroed in on Cheyenne's hot folds like there was a big red arrow hanging in the air pointing to it.

Of course, that was the moment she glanced into Lynn's full-length mirror. Looking right back at me.

"Uh, just wanted to say g'night, girls," I said. Mumbled maybe. I don't know. It must've sounded like words, though. I did better on, "Don't stay up too late, going to be a long day tomorrow," and continued on down the hall.

"Night, dad!" Lynn called after me. Whew. Not too awkward.

"Night, Mister Stanton. And thanks for the cannolis!" Cheyenne chimed in.

So much for not being awkward.

......

Had to be two a.m. I didn't check, but I'd been awake for hours, tossing and turning. My encounter with Cheyenne's cameltoe had left me shaken. I kept telling myself, just get over it. She's in high school. Your daughter's best friend, for chrissakes! Just jack off and get it out of your system. Okay, maybe jack off three or four times, then forget about it.

Which was what I was thinking about when the door opened. Immediately, I was on alert. But there was no distress call. Lynne's voice didn't come through the dark, telling me she'd set the microwave on fire making popcorn or anything like I might have expected. No. Just the door opening. Then closing. Then the blankets shifting. Then Cheyenne's hand on my junk.

"Good," she whispered. "I was hoping you were waiting up for me."

I decided it was best not to tell her I'd been up considering how many times I'd need to masturbate to clear her from my system, and instead rolled onto my side so we were facing one another. Her hand slipped into my shorts.

"Ooh. You're already ready!"
Those fingers? Around my shaft? I could've been in a coma and still been ready.

"You're serious?" I asked. "You want to do this?"

"Do what?" she giggled. "This?"
It was dark in my bedroom. Darkdark. I couldn't see anything, just felt her head tent the sheets. Then her lips, closing around my tip.

Enough of this, I decided, flipping on the bedside lamp. Not much, but enough to see everything I wanted.

Chey's red hair stretched across my thighs, her tongue cat-lapping along the bottom of my cockhead. Her fingertips found my balls and she dragged them over my scrotum, making my prick twitch. She went

down on me, totally focused on my dick. I watched her head bob in my lap, her cheeks caving in as she sucked. Her mouth was as hot as her body. Then, like she had a sixth sense, just like in Lynn's room, she looked up, locking eyes with me.

That connection was so intense I came close to shooting. Just as well I didn't, I might've drowned the girl.

"You were watching this afternoon, weren't you?" she asked, her voice soft and low. I swallowed hard.

"How did you know?"

"I felt it," she said, taking my dick out of her mouth just long enough to speak. She wrapped her lips around it again, working her way down. Never breaking eye contact. She took her time coming back up, before adding, "It got me all tingly. Down there."

Ungh. I gave a little thrust. She grinned around a mouthful of cock. Squeezed my nuts hard.

"We had to stop early 'cause of you," she said, teasing my shaft. Her tongue seemed to be as flexible as the rest of her.

"Why?"

"I didn't want Lynn to see how wet my panties were. I was getting so turned on thinking about you watching, I couldn't concentrate. My pussy. It was dripping."

"I came close to getting off just watching you," I confessed.

"Mmmm," she groaned around my shaft. "I'm glad you held out. I can't wait to feel it when you fuck me."

I'd thought getting a blow job from a sexy teenager like Cheyenne was the equivalent of hitting the sex Lotto, but her wanting my dick plowing her between those lips? I sure as hell didn't need any more warmup.

I hauled Chey on top of me, my cock leaving a trail of pre-cum between her swollen nips, down her belly and maybe further. Tough to tell in the dim light with my head disappearing in that tuft of red hair.

"I thought you'd wanna finish in my mouth," she gasped, feeling me pressing against her entry point. "But you want to stick it in me, too, don't you? I can tell."

I cupped her ass and guided her down. An inch disappeared into her

Oh yeah..

slippery cleft. Another. A third.

"God you're big," she breathed. Chey was tight. Not just muscular, but tight-tight where it counted. It took some effort penetrating her, despite how wet she was. She arched her back, pushed off me and tried again. I don't know about her, but I was sure feeling like a first-timer again.

"Oh, wait," she said, pushing her knees apart. She set her hands on my chest, much the way she'd had them set on the floor in Lynne's room. Then she started to rest her weight on me, legs unfolding like a praying mantis.

I didn't know I was holding my breath until I was supporting all of Chey's weight on my ribcage. She leaned her head back and ran her tongue over her teeth.

"S-s-s-soo good," she sighed, her wet twat swallowing me whole, her snug canal gripping me tip-to-balls.

"Like that?"

"Feels like we fit together pretty good," I said, putting my hands on her hips so she didn't have to support herself completely.

Without question, it was the most outrageous position I had ever fucked in. Cheyenne rolled her shoulders, the motion carrying down her back and through to her hips, her pussy stroking my entire length. This wasn't just a girl with a tight snatch riding me. This was a chick who could milk every inch of my bone and make it feel like there was something different

going on every time her folds pressed against me.

"You don't have to do that," she said. "I can handle it."

"Yeah, but what about if I want to do this?" I answered, tightening my hold on her narrow hips and thrusting up hard, plunging into her.

She let out a squeak, totally caught off guard. Her eyes went wide. She

shut them, biting her lip, and held herself still, tremors radiating out from her gooey center.

"Again," she begged. "Do it again."
"You mean, do it like this?"

I buried my cock in her gash, Chey's form starting to wilt a bit. It wasn't much, but slowly, the signs became more evident. Her small feet wavered, her toes curling. Her hips started

shifting side to side. Just a little at first, barely noticeable. But then, as she got closer to orgasm, I could tell. It was like she was unraveling. Losing control of that taut, perfect posture.

"Mis-ster St-" she started, but I knew where she was going and I had

better things in mind we could do with our mouths. I grabbed a handful of red hair, pulled her face to mine and planted one on her, my tongue finding hers and dancing around in her mouth just as she came, her hot juice rolling down my pole.

She collapsed onto me, her nails digging into my chest, riding me like I

was a mechanical bull. I did my best to keep up, pounding away at her pussy as hard as I'd gone at it during my college days. I wasn't sure I could last like I had back then, but I was damn sure going to try.

Up close, Cheyenne's freckles really stood out against her pale skin. I know it doesn't make any sense, but

she looked so damn innocent, leaning over me, biting her upper lip like that, half caught in a smile. Luckily for me, she followed that orgasm with, "Get on top of me. I want you to fuck me 'til you jizz."

Sounded good to me. I pulled out and flipped her onto her back so I could give those sweet pink nubs a little attention, totally unprepared for what came next.

I was kneeling between her thighs, arms still around her, and pulled her into a half-sitting position. She thought we were going to swap some more spit, but before her lips reached mine, I bent my face to her bud and circled it with my tongue.

"Uh...oooh...uh-oh..."

I wasn't sure what was up, but she didn't ask me to stop, so I just kept on keeping on. Cheyenne didn't have much going on in the boobs department, but what little she had in the way of nipples were crazy sensitive.

I gave one bud a little pinch. Chey nearly jumped off the bed. She wrapped her arms around me and held on tight, preventing me from continuing my suckage. She was breathing so hard I thought I was going to have to stop.

But, I didn't. Instead, my hard-on stabbing her in the belly, I slid my hands in between us and ground my thumbs into both of her pert pink caps.

Chey's climax shook my bed. And, I sleep on a king size, oak frame captain's bed. Pretty impressive was an understatement. Chey came so hard she bit down on my shoulder and screamed, tears streaming down her face as she bucked against me.

"S-s-sorry," she said shakily. "That...just drives me crazy."

Since she was leaning back a little, I focused my oral efforts on her salivafree nip.

"You can't!" she cried into my ear. But, of course, I could. And did.

Chey threw her arms around my neck, her legs encircling my waist. I figured, this is how it's like to get done by a spider, and left Cheyenne drooling after about thirty seconds of boob-suckling.

On her back, legs spread, pussy hair matted flat and my sheets looking like the sprinkler system had gone

off, I went to work, not giving the captain of the cheerleaders time to recover. Truth be told, I had no idea who the captain of the cheerleaders was, but didn't care. I knew who deserved to be, and that's all that counted.

Four strokes was all it took to send Cheyenne off the cliff again. She looked nothing like the limber athletic goddess from this afternoon. Her hair was disheveled, her flat chest sheened in sweat, she couldn't catch her breath, and despite all that, still looked sexy as fuck. I held off for a stroke, realizing she wasn't the only one having trouble breathing.

"Ooh...someone's getting ready to cum," she observed, running a finger across my lips. "You'll need seven to catch up, though...or maybe eight."

I was hoping for eight, even though I didn't have a whole lot left in the tank. I was thinking five or six more strokes, tops, and I'd have to pull out. Cheyenne must've recognized the look on my face.

"Here, does this help?"

With that, she took on the demeanor of the gal who'd been in total control in my yard a couple of hours ago, raising one leg, dragging her toes across my lips, and bringing her right ankle up behind her ear.

"Sexy, huh?" she said playfully, fingernails on my thigh.

There was no holding back now. I drove into Cheyenne's slick box, pounding away at her like an animal. She took everything I had, pulling me in deep, enthusiastically coaxing me toward the finish line.

"I like when your balls slap my ass," was a good one. A couple thrusts later, "I've never had anything in me so deep," nearly did me in. Not to brag, but when she stuck her finger in my mouth and brought her other leg over her shoulder, I knew I was out of time. Chey's erect nips against my chest, ankles behind her ears, those freckles...those damned freckles!

I was done. I pushed back, trying to withdraw from that viselike slit of hers. I knew if I didn't pull out, things were going to get dicey. But, there was no end to the surprises today.

"Don't you dare!" Chey said, looking shocked at the attempt. She grabbed onto my hips, pulling me back in.

"But," I protested, wondering if she knew how close I was.

"Inside me," she pleaded. "I want

to feel you do it inside me! It, it's okay...you don't have to worry."

Little late to worry about whether or not I could trust her, I thought, and concentrated on that glorious velvet tunnel. That I managed another half second or so I took as a moral victory. Then, I erupted, jizz gushing into her, her calves rippling each time I fired another spurt into her pussy.

That she waited until after I'd begun to flag before returning her legs to the bed caused a last trickle of spooge to drip out of me, joining the puddle that was leaking from Chevenne's twat.

"Whoa," she said. "How long have you been saving it up? Like, a year?"

It hadn't been quite that long since I'd last gotten laid, but the compliment made me grin.

"Give yourself credit," I said. "I haven't had someone as hot or horny as you in forever."

"Yeah? You think I'm hot?" she asked. She said it as if she almost didn't believe it.

"If you couldn't tell, I must not have done it very good," I said, shaking my head. She pushed herself up onto her elbow, her pink buds still pointing at me, and slapped my arm.

"If you'd cum in my mouth, I'd still be swallowing!" she declared, swiping her finger through her folds and slurping up the remnants.

"Good thing I could finish off

inside you, then, huh?"

"Why? What's the big deal?"

"Well, if you liked how it felt when I came this way," I said, trailing off. I sure as heck didn't want to sound disappointed, even though she was right. I had been expecting to finish off in her mouth.

"Oh, that's not what I meant," she explained. "I was just thinking that after you bring us home from the college cheer thing, well, you know."

"I know…?"

"Uh, I'm still gonna be here tomorrow night," she reminded me.

"And, what does that mean?" I inquired, though my exhausted dick was starting to show signs of life.

"That," she told me, cupping my balls. "Means you get to cum in my mouth. All...night...long."

The ninety minute drive to Hawthorne the next day suddenly didn't seem like much of an imposition. The things you do when you have kids, right?

Latina babe Brooke is a super sucker!
